

## MAKING HEADLINES

### CELEBRATING OVER 40 YEARS OF EXCELLENCE IN PERSONAL INJURY LITIGATION!

Called to the bar in 1970, [Gary Neinstein](#) has been practicing almost exclusively in personal injury law from the start. He has always been a champion for the underdog. He has fearlessly advocated for survivors of trauma, and earned a reputation as a tenacious trial lawyer.

Gary is the senior partner of Neinstein & Associates and is a great mentor and role model to our junior lawyers. Over the years, he has devoted himself to various charities and causes. Gary also has a great love for the arts, including opera, plays and canvas paintings.

This year Gary is 70 years young and continues to fight for his clients. He still works hard, even putting in some long hours to get the job done. And the fight is far from over. Gary pledges to continue working for many more years to come!

Congratulations Gary on a long and distinguished career.

This year Neinstein & Associates is partnering up with St. Mikes again to bring you a new initiative that raises awareness to Acquired Brain Injury (ABI) Survivors. Our goal is to gather 500 Likes on FB. Every day until Dec 30th we will share with you facts on ABI to demonstrate how very important this cause is. Once we reach our goal we will donate an adjustable bed that is specific to ABI patients in the Trauma & Neurosurgery at St. Michael's Hospital. Please spread the word about our initiative and help us reach our goal! Share wide, Share often!
