## RECENT EVENTS

### Mixed & Served!

On June 8, 2016 the Ontario Brain Injury Association (OBIA) and the Brain Injury Society of Toronto (BIST) hosted the 12th annual **BIST/OBIA Mix and Mingle** at the Steamwhistle Brewery in downtown Toronto. The event attracted hundreds of professionals who work with survivors of acquired brain injury. The 2016 event raised almost \$160,000.

As Chair of the Mix & Mingle for the past seven years, Greg Neinstein is extremely proud of the work the committee has accomplished.

"I'm proud to be involved in such a successful event and I hope to continue giving back to such a noteworthy cause," Neinstein said.

Through education, awareness, support and advocacy, both the OBIA and BIST work to enhance the lives of Torontonians and Ontarians living with the effects of ABI. Thanks to all of this year's attendees, and see you next year!
