

HELPING YOU NAVIGATE THROUGH COVID-19

During this evolving and challenging time Neinstein LLP is fully operational, actively advancing and protecting your rights. The way we do business has changed, but we are still here for you and available by phone or email. Don't hesitate to reach out if you have any questions or require or any support.

In this edition of our firm newsletter we are offering everyone critical information and resources to best help you navigate through this challenging time.

Rehabilitation Services During Covid-19

We are pleased to let you know that your rehabilitation teams remain committed to your recovery. As such they have put robust plans in place to help you continue your therapy through video conferencing and telehealth services.

We encourage you to leverage these services as they are proven effective in helping you on your road to recovery. Should you have any questions or concerns, please contact a member of your Neinstein LLP legal team at 416.920.4242

Business Interruption Insurance: Know Your Rights

During these unprecedented and uncertain times, businesses are facing incredible financial challenges. Some may not be aware that their commercial liability policy can offer a form of insurance that protects their businesses and losses.

Commercial insurance policies are complex and specialized and may require that you take immediate action to protect your business.

Our team of highly skilled insurance lawyers at Neinstein LLP is providing a complimentary service to all businesses who want to know what steps need to be taken.
